

Outdoor Photography Course

September 18, 2018

Interested in improving your photography skills? Then join us for an amateur outdoor photography course with 6 unique classes. Knowledge and use of a DSLR camera, tripod, multiple lens, and off-camera flash is recommended. This is NOT a beginner course. There will be homework assignments each week. Cost of the course is \$50. Class location will be in Alexander City on Tuesday evenings from 6 - 8 p.m. Instructors will be Kenneth Boone and Fletcher Scott. Hosted by the Tallapoosa County Extension office.

Sept. 18 - Basic Photography

Sept. 25 - Wildlife Photography

Oct. 2 - Macro Photography

Oct. 16 - Water Photography

Oct. 30 - Low Light Photography

Nov. 13 - Landscape Photography

Registration is required! To participate or for more information, contact the Tallapoosa County Extension Office at 256-825-1050.
